

Cirencester Opportunity Group

Emergency Closure Plan

If you think we may be closed due to severe weather conditions, please follow the guidance below.

Look at: The COG Facebook page: <https://www.facebook.com/cirencesteropportunitygroup>: We will post a notice of closure here. Please ensure you have 'liked' it to get notifications.

Your mobile phone or computer: **We will email parents** to inform you of closure as soon as possible once a decision has been made.

For snow only: The school closure website: www.glosclosedschools.com. As our nearest school it is our policy that if **Cirencester Primary School** is closed, then we will be closed. You could also check their website. www.cirencesterprimaryschool.co.uk

If we are open: Please drive or walk safely and be aware that the slope into the car park can become very slippery. If we are unable to treat the surface we may close the car park to vehicles and ask you to park on the road and walk in. If weather conditions worsen during the day we may ask you to pick up your children early. Please keep checking your phone.

If we are closed: Keep checking the websites above and your phones for updates. Stay safe, warm and have fun!

In the event of us closing during a session we will aim to contact you directly by text message. Please be prompt when collecting your child as weather conditions can worsen very quickly.

Please check we have your CORRECT and CURRENT emergency contact details. You must tell us if you change your phone numbers

We will always aim to keep COG open but the safety of children, parents and staff will always be our priority.
